

Directory of Christians in Business

Condensed Edition - June 2010

The Directory of Christians in Business is founded on 4 basic principles:

- As Christians, we need to support one another in business;
- We promote and encourage business practices and ethics according to biblical principles;
- We believe in "paying a man a fair wage";
- We believe in giving of tithes and offerings as a sound biblical principle.

This directory is intended to provide a list of businesses in the **Port Elizabeth / Uitenhage** area (*Nelson Mandela Metropole*) that subscribe to these principles. It is a requirement for listing here that the owner, principal partner, shareholder or a senior manager in the business is a Christian in regular fellowship and good-standing with a local Christian community.

We distribute this "offline" Directory via email once per quarter.

To view the full directory, visit our website at www.pechurchnet.co.za/cbd

**You can also download a monthly updated version of the Directory
in easy printable PDF format from our website.**
