2. Protection of the farmers, farming families, and farm workers.
3. These farm attacks to suddenly stop.
4. The conviction of God upon the perpetrators and an uncovering of the root cause behind these attacks.
5. The attackers to be arrested and suitably sentenced.
6. Calm and considered action and reaction from the farming community.
7. A wise and supportive response from SAPS and the Defence Force; for them to find some strategy and the manpower to protect our farmers.
8. The God of peace to rule and reign in our country at this time.
9. Peace in NMB and South Africa, peace in the hearts of every true believer in the Lord Jesus Christ, this peace to be a testimony to all those around us.
10. Christians in every sector of SA Society to become peacemakers. **(John 16: 33)**

B. A Great Revival of the Church and an Awakening in the Hearts of Mankind.
